June 2010 Monthly Newsletter

Wigwam Resort on Lake of the Woods...your destination for Year-Round outdoor enthusiasts. Lake of the Woods is an extraordinary body of water with over 65,000 miles of shoreline and over 14,000 islands. The Wigwam Resort is located 12 miles north of Baudette, MN (Walleye Capital of the World) and is in (arguably) the best position to access both Lake of the Woods and Rainy River. We cater to groups of up to 100. We will customize a package for you with a meeting facility, hunting, fishing, or what ever you need. Groups of 24 or more are eligible for group discounts or other incentives. As you navigate through our site, if you don't see something you would like, please give us a call at (800) 448-9260 and one of our helpful staff members will accommodate you.

Welcome to another edition of the Wigwam Monthly Newsletter. Pictured above are the 1st – 4th place teams from the Spring North Star Walleye Classic, held at the Wigwam Resort. First off I would like to thank all the participating teams who made this such a great event. There were 16 teams that participated from all around the region. Even with a small field of participants, there was plenty of prize \$\$\$\$\$ to go

around. The Spring Classics top prize was a nice little \$3K, which went to the team of Al Thompson and Brock Dahl of Baudette, MN.

The Summer North Star Classic Walleye Tournament will be held on Saturday, June 26th. This will be a great opportunity for the “average Joe” to participate in a well run tournament. The best thing about this is you don’t have to be a pro to participate. The summer event is a one day tournament that will have a number of great \$\$\$\$\$ prizes given away, and will attract a number of different teams from across the Midwest and Canada. For only \$200 a team you can participate. Kevin “Tall Tale” Olmstead and Colleen work very hard to put on a great tournament. We hope this will be the best Summer North Star Classic Walleye Tournament ever! Only 50 teams can participate, so don’t miss out on your chance to cash in at the Wigwam Resort. For additional information and to see the \$\$\$\$\$ prizes that will be given away, please check out the Wigwam Resort website at www.wigwamresortlow.com. The North Star Walleye Classic information is on our home page, so just scroll down and click...it’s that easy. We hope to see you here at the Wigwam Resort on Lake of the Woods.

Now that June is upon us, the glory of northern Minnesota is in full bloom and what a site it is. Within the past few weeks we have been dumped on with rain and the lake level has come up, and the trees and flowers are flourishing with life. On top of the beauty you will be surrounded by, Lake of the Woods Walleye fishing has never been better in my 18 years of fishing the lake. In that time frame I haven’t seen a decrease in the fishing, it has only gotten better and better year after year...what an amazing fishery we have at our disposal! With the combination of amazing fishing and the natural beauty of northern Minnesota, Lake of the Woods and the Wigwam Resort truly exemplifies Paradise without a Passport!

June will bring us some great live entertainment to the Wigwam Resort. On June 4th - 5th & 18th & 19th, Poor Boys, the pride of Fort Francis Ontario will be blessing us with there talents. They always put on a great show and I anticipate this to be no different. On June 25th & 26th, for the first time ever at the Wigwam we

will be presenting Under None, which is a fantastic band and local hit! All bands will now start every 8 PM Friday and Saturday and play till close. Lets all get Jiggy at the Wiggy!

I said this in the last newsletter, but now that summer is upon us it must be said again, so here we go; I want to remind everyone that we do have a Campground and an RV Park. Both our Campground and RV Park have access to a free dock slip and a restroom/shower facility. I remember when I was kid; my Mom and Dad always took our family to Red Gut Bay on Rainy Lake every summer to stay in our family's pop-up camper. I remember it as vividly today, as if it were yesterday, and it was awesome. It gave my family an excellent opportunity to bond, communicate, grow and share together. Many families just don't have the opportunity to sit down and have the discussions families once did. Hopefully, thinking about this may fill your minds with great memories from your childhood, and now might be your chance to do this with your own family. We would love to help you make this a fantastic experience that you and your family will remember for a lifetime. We are also giving **Kid Discounts** this summer to help Moms and Dads make this a reality...hope to see you all here!

We also post special lodging rates and package rates on this site, which will not be known to anyone else. Please remember, invite all your friends to become friends with the Wigwam Resort...the more the merrier!

In this paragraph I want to talk about something that I talk about every edition, Full Service – No Hassle. The reason I do, is because it's what either makes or breaks a great trip. There is no substitute for going out

fishing in the right accommodations on Lake of the Woods, which is the best Walleye fishing in the WORLD. We offer guided launch trips in our 27' Sportcraft(s), where we provide everything, poles, bait, tackle, fish cleaning and fish packaging for your trip home. The Wigwam Resort has assembled a fantastic "customer service oriented" staff and we are ready to make your next vacation exactly that, a vacation. We have made some improvements for our guest's entertainment by adding a few more televisions in our lobby and bar. We want to make sure you don't miss the big game, whatever it might be. Come try us out the next time you visit Lake of the Woods. Also, don't forget about letting us cook your "catch of the day"...it doesn't get any better than that!

If you have been a guest at the Wigwam Resort and I didn't get a chance to get your fish picture(s), please e-mail it to me at jp@wigwamresortlow.com. Please put a little description of the catch and the size, and I will add it to our photo gallery.
