Wigwam Resort on Lake of the Woods...your destination for year round outdoor enthusiasts. Lake of the Woods is an extraordinary body of water with over 65,000 miles of shoreline and over 14,000 islands. The Wigwam Resort is located 12 miles north of Baudette, MN (Walleye Capital of the World) and is in (arguably) the best position to access both Lake of the Woods and Rainy River. We cater to groups of up to 100. We will customize a package for you with a meeting facility, hunting, fishing, or what ever you need. Groups of 24 or more are eligible for group discounts or other incentives. As you navigate through our site, if you don't see something you would like, please give us a call at (800) 448-9260 and one of our helpful staff members will accommodate you.

Welcome to another edition of the Wigwam Monthly Newsletter. August was no disappointment on the fishing front for us on Lake of the Woods. This summer there has been some real monster trophy fish taken this summer...August in particular. I've seen a 12 ½ pound Walleye and a number of 10 pound Walleyes caught and released, so others can have their own chance at catching a monster Walleye on Lake of the Woods. With a number of big fish being caught on a daily basis, the phone has been ringing off the hook to make reservations. Guests that are getting a chance to experience this great fishing are rebooking trips for the end of September and October to reserve their chance to be put on the "Big Fish" by our awesome guides.

As we leave August in the dust, September begins a new season for us at the Wigwam Resort...Goose Hunting. We offer some great Goose Hunting/Fishing Packages that are a must for Goose hunters and fisherman alike. The Wigwam Resort offers fully guided Goose Hunting trips that will have you coming back year after year. We provide the blinds, decoys, dogs and the guides...all you have to bring is your clothes, gun and ammo. Take full advantage of everything northern Minnesota has to offer this fall. For additional information on any of those packages, please visit our website at www.wigwamresortlow.com, or call our office at (800) 448-9260 to speak with a knowledgeable staff member. Remember that the Wigwam Resort is all about customer satisfaction and there is no better time of year to try it out than right now!

September is a beautiful time of year in northern Minnesota, especially with the color change that we are just about ready to experience with the change of the leaves. I remember as a youngster growing up in International Falls, MN what season was my favorite, and there is no question, it is right now! The Ruffed Grouse/Sharp tailed Grouse will be out in full force around these parts, and Vancouver (my golden retriever) and I can't wait to start the hunt! Black Bear, Duck, Goose & Whitetail Deer are all very prevalent around these parts and will also attract a large number of hunting enthusiasts to our beautiful playground in northern Minnesota as well. My Father made it a point to take me hunting...it was a great opportunity for us to bond as Father and Son. I challenge all parents, and in that case, everyone, to make the bond as strong as possible...in this day and age we all need to be close to family. If you don't have a family, become a big brother or sister to someone in need, you will be rewarded for a lifetime. Don't miss out on everything our fabulous area has to offer, give us a call today to book you, or your groups, next great get away to Lake of the Woods!

I would like to tell you about a group that we had the opportunity of having as our guests this past month. They were a group of Pharmaceutical Representatives and Veterinarians, who got to experience some of the best fishing of the year. Each day they left the docks at 8 am, and they had caught their respective limits each day by 11 am...this was not just one day, but 4 days in a row. The weather was perfect for our launch guides to take our guests across Lake of the Woods to either Little Oak Island or Garden Island. Each day our guests were able to fish by drifting with spinners and crawlers...they got "put on the fish" by our three Top Notch Guides. I was fortunate enough to go fishing with 4 gentlemen one day and that had to be the best day of fishing that I have experienced on Lake of the Woods this summer. On our first drift I was able to catch 4 nice Walleyes...what a treat! Not only were they put on the fish, but the amount of customer service that accompanied the group was second to none. Some of their "thank you" e-mails are posted on our endorsement page on our website at www.wigwamresortlow.com. I just wanted to send a personal "Thank You" to each and every member of the Intervet Group...thank you guys and gal for the opportunity to take care of you during your business trip/vacation while staying with us at the Wigwam Resort on Lake of the Woods. Our company goal is to make sure that each and every guest is fully satisfied with their total experience at the Wigwam Resort.

I can't believe that summer is almost over...it has flown by so fast, but the great thing about that is the Fall Fishing & Hunting and knowing that Ice Fishing is right around the corner...I'm so pumped I can hardly contain myself!!!!

I know it's only September, but don't forget, our winter Ice Fishing is right around the corner and we are booking up quickly! If you've been one of our faithful patrons for years, or you'd like to experience it for the first time, don't wait any longer to book your trip to the Wigwam Resort, it's an experience of a lifetime! Just a little FYI to anyone that is looking to book a trip with us in December...we are almost completely booked up.
